

# FLYING REPORT

With the trade...

Dr. Rolf McPherson, dean of the Los Angeles R/C slope soarers, departs from hill flying to compete at the 1970 League of Silent Flight Soaring meet. He flew this "Kurwi 68" to 3rd in Distance event. Span is 11-1/2 feet.

## East Coast Soaring Society

I received my first copy of the E.C.S.S. Newsletter: ten pages with a photo on the cover. Included in the newsletter are four membership applications, so you can spread them around so that people can join. You must be a member of the E.C.S.S. in order to get points for the trophies at the end of the year, if you enter any E.C.S.S. meets this year. The contest calendar of the society has no official dates as yet but certain months have been chosen by various clubs. April is open, May's contest will be held at Lakehurst, sponsored by the Monmouth Model Airplane Club (New Jersey), June's contest will be hosted by the Delaware R/C Club in Wilmington, Del., and another will be held in June by the DC/RC, in Washington, D.C., July is open. August's is by North Jersey R/C Club—no location as yet but it will be somewhere in New Jersey, September's meet will be held at

Dover, Del. by the Dover Mosquitoes, and October is open. If your club would like to host a meet during one of the open months (no contest scheduled) send a note to Don Clark, E.C.S.S. Secretary, 4202 Brookfield Dr., Kensington, Md., 20795. If you'd like to join the Society, write Don and ask for an application. You must have a valid FCC license and AMA membership. Memberships and club memberships are \$5.00, family memberships are \$6.00 and junior memberships (for Junior AMA members) are \$2.50.
